

# Micro-Loan Program With These Hands Loans

Vancity

Are you an immigrant looking for money to buy tools or equipment to start a job or self-employment?

The With These Hands loan is specifically designed for equipment (or other required gear) and tools to help individuals to enter a trade or profession. No previous experience in the field is required, but some interest must be proved and any required certifications must be met.

The loans can also be used for self-employment program graduates who intend to work as a self-employed service provider, such as massage therapists, consultants or carpenters. The loans range from \$500 to \$5000.

To know more about the program, contact Daisy Au at MOSAIC (604) 254-9626 ext. 273 or email [daisyau@mosaicbc.com](mailto:daisyau@mosaicbc.com)
