ADVANCE CARE PLANNING

FOR IMMIGRANT & REFUGEE SENIORS 55+

**JUNE 30,
WEDNESDAY
1 P M - 3 P M**

**Tommy Douglas Library
7311 Kingsway, Burnaby**

Advance Care Planning is a process of reflection and communication; of coming to understand, discuss your health condition and plan for at time when you cannot communicate and make your own decisions. Clear and effective planning is the best way to make sure your views are known and respected by your loved ones and health providers. This process provides great comfort to those who may make health care decisions for you when you are unable.

Guest Speaker: Cari Hoffmann, Project Implementation Coordinator,
Advance Care Planning Fraser Health

Cari Hoffmann is a healthcare professional with education in social work and management studies. She is the Project Implementation Coordinator for Advance Care Planning in Fraser Health.
