

**Employment Recognition Award:**  
Canada Safeway Limited

"We ain't done yet.

Working with organizations such as MOSAIC, as well as with our own workforce, provides us with education that continues to take us through new experiences.

Each step we take leads us to another adventure and we find that the world is in fact shrinking.

I am proud to be a part of The Safeway Team. And I accept this award on behalf of each and every one of our employees."
